Mita,

Just left you a voicemail. As you know, we are briefing Jeaneanne on Monday to provide her with a 404 assumption update and to brief her on the two "a" letters that I've been assigned. Tom and Tony want to use this as an opportunity to brief Jeaneanne on the 404(q) process and Tony has asked for my input on the 404(q) portion of the briefing. Phil stopped by my office and asked about the 404 powerpoint I had up on my screen and I told him about the 404(q) briefing and that I was going to reach out to you to see if you wanted Tony to include Phil for purposes of input.

Thanks,

Matt

For our briefing with Jeaneanne on Monday, Tom proposes that we cherry pick (and maybe modify) from the slides in the attached PPT. We want to show her where our authority under 404q comes from and then go into the letters.

I suggest:

- 404q overview (possible slides 2, 11, 12, 13, 14, 15 and 16) – 5 minutes
- Brevard LF – 10 minutes
- Shingle Creek – 10 minutes
- Q&A – 5 minutes

Thanks Wanda. Per our discussion please see the attached revised agenda, which now includes Tony as a participant, and supplemental materials for the briefing. The Powerpoint file that I sent on Friday is unchanged, but I'm attaching it so that you have all 3 files in one email. Tom

We need to add one more participant (Tony Able) and will provide a few other materials to supplement the background information. I will follow-up later this morning with the specifics, and if you have any questions in the meantime please let me know. Tom
